

# Accessing Seesaw from Home Using the Class QR Code

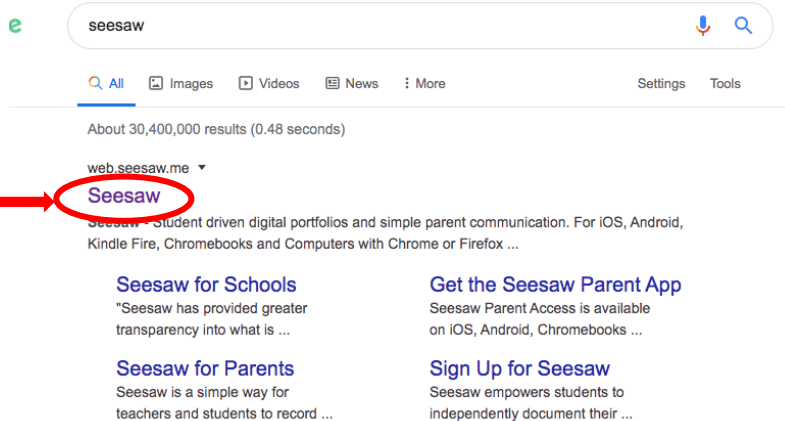

1. Open the internet and open google.

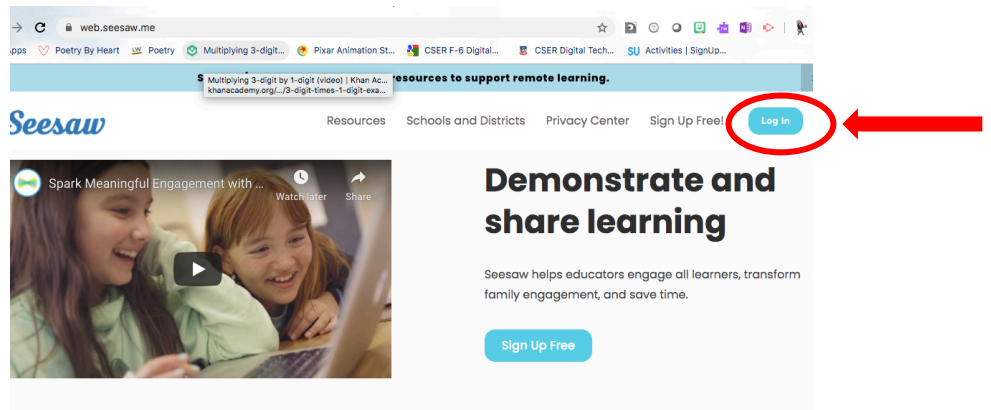

2. Type seesaw in the search bar and click search.

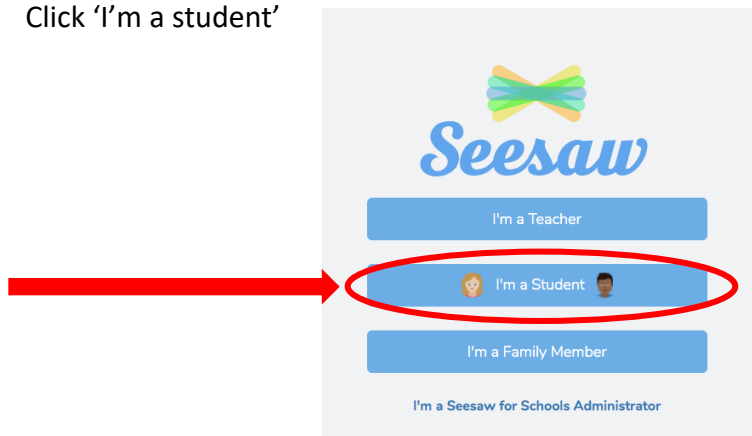

3. Click on the first result.  
web.seesaw.me

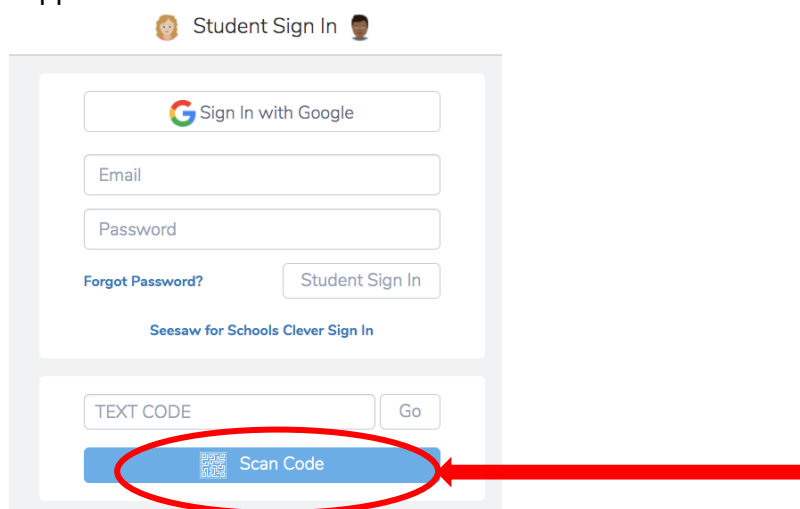

4. Click login

5. Click 'I'm a student'

6. Select the blue scan code option and type in the code your class teacher has supplied.

7. A camera box will appear. Hover the camera over the class QR code to access class seesaw.
